3. The assassination of President Kennedy had a far-reaching effect on the Cuban populace. The leadership conceived of the crime and of Mr. Johnson's succession as a danger signal. A state of emergency was announced and troop movements were in evidence throughout Cuba. During the speech, in which he denied any involvement

INFORMATION REPORT INFORMATION REPORT

With the murder, Castro looked extremely shaken, and he obviously had difficulty keeping himself under control. His opponents were convinced that the new president would take immediate concrete steps to clarify his position on the Cuban question. Days went by, however, and the leadership's fears were gradually allayed, while the opposition became discouraged.
